Mr Stephen Gillies
President
SAGE-AU The System Administrators Guild of Australia
375 Wickham Terrace
BRISBANE QLD 4000

Dear Mr Gillies,

I would like to take this opportunity to thank you for your gift of \$1,300.00 to support Hanover and our work with people experiencing homelessness. Your generosity will assist those who are most in need within our community.

Your gift is enabling Hanover to help young families purchase clothing, footwear and school materials for their children, while some of our more senior clients will be able to purchase much needed work wear for new jobs, receive assistance with course fees and support with transport to sustain employment, meet appointments and attend interviews.

It is through your support that Hanover can continue to provide practical, long term solutions and assistance to Victorian's experiencing homelessness.

Once again, thank you for your support; it is greatly appreciated by all the clients and staff at Hanover.

Kind Regards,

Tony Keenan
Chief Executive Officer
